## CERTIFIED SO: REDEFINING HAPPINESS (PAPERBACK)

Certified So Publications, LLC, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description Three glasses: one filled to overflowing, one half full and one with just a thimble full of water in the bottom. In terms of happiness, which one are we supposed to be? Most say the one that overflows. Yet with this amazing concept you will soon see how the glass that s nearly empty is the one that overflows the most! What s the catch? Does the empty glass of happiness only overflow for those who read the Bible? No, it overflows for anyone who seeks to certify so. This concept made more of a difference in my life in one week than in all the prior thirty years combined. It is the spiritual and emotional equivalent of finding out the world isn t flat, and then finding out anew every day. Discover for yourself what will happen when you seek to give away what you thought you had the very least of, and join the ranks of those who have Certified So! Review This book was like a magnet, it kept drawing me back! It should be required reading for all new Christians, and it will make an excellent resource for small study groups. Pastor Randy Middleton, PhD About the Author Roland Coleman and his wife Karen live in the Pacific Northwest. They enjoy gardening, backpacking, canoeing, and spending quality time with their two kids and six grandkids. They have worked with young people for over thirty years, and embrace the challenge of making the Bible come alive for others. For more information visit.
