Talon Books, Canada. Paperback. Book Condition: new. BRAND NEW, A Few Words Will Do, Lionel Kearns, These brief but concentrated pieces of literary work seem at first simple in their approach and straightforward in their intent: designed to be read easily and then to be carried away in our memories. As if they were ours. But when one person writes "this is what happened, this is what I remember, this is what I saw, this is what I know," any reader stands in for and thereby becomes the absent "I" or "eye" of that written text. The deconstruction of this inescapable process of language, metaphor, is what preoccupies Lionel Kearns in A Few Words Will Do. At first, the narrator seems caught up in the mystery of the unfathomably limitless depth of motherly love in the poem "Dorothy"; with the alchemical marriage of time and space in "Lines for Gerri" (and what are to become the recurrent phases "here to then" and "between now and there"); then he proceeds through naive realist scenes of family life and birth in "With My Daughter" and "Miracle" to find the ongoing wonder of his father's unfathomable actions (and the book's metanarrative) in "Composition." This celebration of apparent meaning at the heart of the ordinary that opens the book is so accomplished it seems unassailable with the tools of deconstruction. The book's centre however turns on a selection of hybrid "open source" virtual prose meditations on chaos, chance and consequence, after which the narrator increasingly begins to address the poem itself as the subject, moving the reader into a position of explicit complicity with the writer, a complicity in which "A Muse" cannot escape the irony of its linguistic shadow, "amuse." There is a materiality to the world over which the greatest abstraction cannot triumph,...
