Frances Lincoln. 1 Paperback(s), 2011. soft. Book Condition: New. In his fourth guidebook to Snowdonia, John Gillham takes in the ranges of Cadair Idris, which rises from the sandbars and surf of the Mawddach Estuary like great walls of splintered rock; the neighboring Tarren and Dyfi Hills, where hard Ordovician rock meets soft Silurian shale, and the fine Aran ridges high above the fields and lake of Bala. "Snowdonia's answer to Wainwright" (Mail on Sunday, London), Gillham has hiked the peaks of Wales's Snowdonia National Park as thoroughly as Alfred Wainwright walked the fells of the Lake District. Gillham's four-volume series of pocketable guides, illustrated with color photos and route maps, offer not just a way up and a way down, but any number of possible paths through the mountainous region."If you were to lay down a map of Snowdonia, close your eyes, spin around a time or two and plonk your finger down at random, chances are you would find that exact location covered, in surprising detail, in John Gillham's Pictorial Guides."Britain 304.
