McGill-Queen's University Press. Paperback. Book Condition: new. BRAND NEW, Reclaiming Indigenous Planning, Ryan Walker, Ted Jojola, Centuries-old community planning practices in Indigenous communities in Canada, the United States, New Zealand, and Australia have, in modern times, been eclipsed by ill-suited western approaches, mostly derived from colonial and neo-colonial traditions. Since planning outcomes have failed to reflect the rights and interests of Indigenous people, attempts to reclaim planning have become a priority for many Indigenous nations throughout the world. In Reclaiming Indigenous Planning, scholars and practitioners connect the past and present to facilitate better planning for the future. With examples from the Canadian Arctic to the Australian desert, and the cities, towns, reserves and reservations in between, contributors engage topics including Indigenous mobilization and resistance, awareness-raising and seven-generations visioning, Indigenous participation in community planning processes, and forms of governance. Relying on case studies and personal narratives, these essays emphasize the critical need for Indigenous communities to reclaim control of the political, socio-cultural, and economic agendas that shape their lives. The first book to bring Indigenous and non-Indigenous authors together across continents, Reclaiming Indigenous Planning shows how urban and rural communities around the world are reformulating planning practices that incorporate traditional knowledge, cultural identity, and stewardship over land and resources. Contributors include Robert Adkins (Community and Economic Development Consultant, USA), Chris Andersen (Alberta), Giovanni Attili (La Sapienza), Aaron Aubin (Dillon Consulting), Shaun Awatere (Landcare Research, New Zealand), Yale Belanger (Lethbridge), Keith Chaulk (Memorial), Stephen Cornell (Arizona), Sherrie Cross (Macquarie), Kim Doohan (Native Title and Resource Claims Consultant, Australia), Kerri Jo Fortier (Simpco First Nation), Bethany Haalboom (Victoria University, New Zealand), Lisa Hardess (Hardess Planning Inc.) , Garth Harmsworth (Landcare Research, New Zealand), Sharon Hausam (Pueblo of Laguna), Michael Hibbard (Oregon), Richard Howitt (Macquarie), Ted Jojola (New Mexico), Tanira Kingi (AgResearch, New Zealand),...
