IOWA FARM BOY

Xlibris Corporation. Paperback. Book Condition: New. Paperback. 126 pages. Dimensions: 8.8in. x 5.9in. x 0.4in. Ed Kramer was born and raised on an Iowa farm during the last half of the 1930s. He was the youngest of four brothers, so they had a profound effect, in so many ways, on his early life. He attended a rural, one-room, country school for the first eight years of his life. He describes, in detail, what a typical country school looked like, and how it functioned. Many of the older generations will be able to relate to Ed's stories. Ed loved the outdoors and nature. He learned to adapt to, and live with, the outdoors and nature. Ed understood the need for mankind to appreciate the importance of both in our lives and the impact they leave on all of us. This was very evident in his outdoor hobbies and experiences. What was it like to transition from country school to high school - going from a small school to a large school, and from a class size of four to one with thirty-two? What impact did sports have on Ed's life? So many teachers! What an adjustment that he had...
