## COTTON FIELDS AND CRAZY NOTIONS: A DAUGHTER REMEMBERS LIFE IN A SHARECROPPER S FAMILY (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this remarkable memoir, retired nurse and African American patriot Gloria Rochelle details her life as a youngster growing up in the deepest part of the Deep South during the 1940 s and 50 s. Gripping in scope, intimate in detail, Gloria s story is a testament to the joy and laughter, the struggles and heartaches of a sharecropper s family thrust into the middle of the Civil Rights Movement at first by virtue of their birth dates and then by virtue of a federal call to justice. Walk with Gloria across Pettus Bridge during the Selma to Montgomery March; attend her as she hears the Rev. Dr. Martin Luther King Jr. in his church; stand in line at his bier with her after he is gunned down. And find out why Gloria believes Governor George Wallace may have received a fly-in-amber bum rap in today s history books. If you think you know everything there is to know about this particular time in history, you re in for some pulse-raising surprises. and more than a few unexpected tears. You can t know a man or a woman until you ve walked in their and-me-down, slit-open-at-the-toes shoes. Lose yourself in a period of history that is endlessly fascinating, a cause that appeared all-but-futile from Dixieland s African American perspective. But they just kept marching, kept believing, kept dying, and kept praying. Today President Barack Obama stands as stark testimony to the continuing promise of the hard-won legacies that people like Gloria Rochelle helped make happen.
