Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Erica Turcotte)

GUN GAMES

Book Condition: New. Publisher/Verlag: HarperCollins US | A Decker/Lazarus Novel | The Hesse suicide strikes a troubling chord in the household of Decker and his wife, Rina Lazarus, now that they've taken in Gabe Whitman the gifted and brilliant fifteen-year-old son of a killer whose own unexplained comings and goings only remind Decker that he knows almost nothing about the secretive boy living under his roof. But it's a second teen suicide? a young girl who attended the same exclusive prep school as Gregory Hesse that points Decker and his detectives down a dark alley of twisted allegiances and unholy alliances. and toward a cold-blooded group of high schoolers with a shocking predilection for guns and violence. | "[Kellerman] does for the American cop what P. D. James has done for the British mystery, lifting it beyond its genre." - Richmond Times-Dispatch "No one working in the crime genre is better." - Baltimore Sun In *Gun Games*, the sensational Faye Kellerman once again showcases Peter Decker of the LAPD and Rina Lazarus, arguably the most popular husband and wife team in contemporary crime fiction. A rash of shocking adolescent suicides at an elite Los Angeles private school is at the heart of this gripping thriller that also focuses on the troubled teen Decker and Lazarus have brought into their home: Gabriel Whitman, the son of a psychopath. Herself one-half of one of noir fiction's true "power couples"-along with her husband, acclaimed mystery writer Jonathan Kellerman-Faye Kellerman once again demonstrates how American police procedural writing is done to perfection with *Gun Games*. | Format: Paperback | Language/Sprache: english | 272 gr | 190x106x28 mm | 480 pp.
