Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 Excerpt: . . . between the principal refiners as existed before the building of the independent refineries. The refiners refuse to sell for all future delivery. They are oversold ten days in consequence of the rush of orders received during the past week. The country is quite bare of supplies for this time of the year, so that the demand will likely continue large throughout the season. It will not be advisable to anticipate wants. The Mollenhauer refinery will start up again in a few days. --Willett and Grays Sugar Statistical. Cofi-kk. --The outlook is for a continuance of low-priced coffee. The great crops in Brazil and its immense possibilities as a producer, together with the expansion of coffee-grow ing in Mexico. Central America, and other points, insures cheap coffee, until there is some marked falling off in supply due to some crop disaster. --Am. Grocer. --: o: DR. MAXWELLS APPOINTMENT. Commenting on the appointment of Dr. Maxwell to the service of the Queensland Government, the Mackay Sugar Journal has the following editorial comments in its issue of May. Despite the fact that there is a running fire of criticism concerning some of the views expressed by Dr. Maxwell in his report upon the Queensland sugar industry, more especially in connection with our method of manufacture, we doubt if any considerable number of people will regret that he has accepted the offer of an appointment in this colony. We can say without fear of contradiction that the great majority of...
