Outskirts Press, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Sparkle is a young woman with two children. Thirsty, for not only a drink of alcohol, but thirsty for a better life. Impoverished from birth and no father in her life to sway her self destructive behavior. She spends her days in the rough crime infested streets of Buffalo, NY, with its humid and hot summers, to its almost arctic, snowy winters. Sparkle has an attitude stemming from her abuse as a child, at the hands of her estranged sister Angel, and that attitude is the one that causes her world to collapse around her. Sparkle finds sisterly companionship in the least likely person. A girl named Tracy, who she was supposed to hurt. She could not understand how her Sister Angel had felt so negative about this girl Tracy, who she called friend, and sister. Angel had always been slick, cunning, and hateful. Sparkle is a African American woman on the verge of changing. Sparkle s story is one of love. She has had a soul burning crush on one of the regular thugs that hung out in front of her apartment. Juice is a light skinned handsome, lean, muscular young man, who blended in well with his background. He did what most young men did, hit it and quit it. At least until he engages in a lust filled alcohol enticed relationship with Miss Sparkle Jones. He finds himself cheating on his baby s mother, whom he had an ongoing relationship with since high school. He was compelled by her will and her free spiritedness, as well as her beauty. She was just like one of the guys to him, that is, until he finds...
