

Newman s Approach to Knowledge (Paperback)

By Lawrence Richardson

GRACEWING, United Kingdom, 2004. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Newman s Approach to Knowledge is the fruit of several years of patient research. It probably represents the most extensive and in-depth analysis of Newman s philosophy, and in particular of his theory of knowledge, that has been published in the last forty years. In his appraisal Dr Richardson has taken special care to let Newman speak for himself in order to avoid forcing him into some pre-determined mould. This highlights Newman s original insights with greater clarity: such as his emphasis on the unity of man, his designation of Informal Inference as our way of knowing reality in its individuality and the Illative Sense as that aspect of our intellect that enables us to be certain. Newman now appears in some respects as a latent forerunner of what later became the Phenomenology Movement. Although the Venerable John Henry Newman rightly enjoys universal acclamation as an outstanding theologian and literary genius of the nineteenth century his philosophical thought has been somewhat overlooked. This, in part, has been due to the dearth of serious published research in this area....
