Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, Inner Voice: Unlock Your Purpose and Passion, Russ Whitney, Inner Voice: Unlock Your Passion and Purpose traces how one man's struggle to find the true meaning of life evolved into a worldwide movement known as the Inner Voice way of life. Internationally recognized businessman, financial expert and real-estate icon Russ Whitney spent five years and 20,000 hours researching and developing the programme. It is built on simple yet powerful principles and strategies that guide readers through identifying their purpose; developing their passion; and living a life of peace, joy and success that is richer and more fulfilling than they ever dreamed possible. Inner Voice is a dramatic departure from Whitney's earlier bestselling books, which all focused on financial success, real estate and wealth-building strategies. In Inner Voice, Whitney explains the happiness that can be found in humility; the importance of living in the moment; the need to understand, recognize and master the immutable law of powerlessness; and how to surrender and find solid answers and peace with what you can't control. He teaches readers to use life-changing tools, including the Discovery Chart, two-way conscious contact and Weekly Inventory to achieve and maintain a connection with the Inner Voice. A step-by-step guide demonstrates exactly how to apply Inner Voice principles and strategies on a daily basis to be free of anxiety, frustration, fear, doubt, guilt and shame so we can live the life our Creator intended for us.
