Brand New Book ***** Print on Demand *****.Excerpt from The Preparation of the Child for Science My Dear Cousin, Three-quarters of a century ago your father, during a visit to his native land, infused into the minds of a few young mathematicians, among whom were Charles Babbage and J. You and I think that we shall more truly fulfil his ambitions by making as accessible as we can to little children in all parts of the Empire that open gateway to the Unseen at which he stood in perpetual adoration to the last hours of his life.
