Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.America s public schools today are unquestionably far from where they were originally. Evolutionary teaching and practice are everywhere in public schools--in the science curriculum, of course, but also in the philosophy of law taught in law schools today. Even Supreme Court justices have demonstrated they have an evolutionary basis in law that affects the way they decide education cases, in contrast with what our founding fathers intended. As this book text details, the downhill trend in the schools is already far progressed. Practically every moral measurement for schools appears on a downhill trend. Interestingly, these statistics break significantly for the worse in the mid 1960s, correlating significantly with the Supreme Court removing prayer and Bible reading from the public schools. Understand that the implication of evolution is that man is the highest product of evolution, through survival of the fittest theory, and therefore man takes the place of God in deciding what s right and wrong. The implication of creation, on the other hand, is that God created everything, and He decides what s right and wrong....
