Createspace, United States, 2015. Paperback. Book Condition: New. 202 x 126 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There are things unseen in the world of men, strange things that live in the secret cracks between places. Hungry monstrosities that the sons of man cannot fathom. It is the Herald's place to hunt them, protecting us from the darkness that we cannot see. Every year, with the death of summer, Tommy Maple, the Herald of Autumn, awakens to again wander the land. Wherever he goes, red and golden leaves follow him, and he hunts the twisted creatures in the darkness. This Autumn, however, is different from those in the past. Tommy awakens to the taunting of a depraved enemy, a mysterious and elusive shaman. Tommy is powerless before his strange, bent magics, and knows that the old man has slaughtered his kind in the past. He is the last person the Herald should trust. And yet, Tommy is forced to listen. Soon, a sinister tale unfolds- a story that spans centuries and the entire continent. A story made from the whispering of forgotten legends that ends with a dark revelation. A story that Tommy has always been part of, even though he didn't know it. Now the Herald faces an ancient abomination, unlike anything he has ever known before. For once, the hunter is the one that is hunted, chased through a misbegotten wood by a creature who seems to be little more than darkness and feckless hunger. The behemoth is pure horror, and can unmake everything Tommy is. As the Herald faces a foe unlike any other, will he fall to the darkness that haunts our world? Will the shadows of a lost age devour him, causing him to be reborn as one...
