In this companyt: the job analysis is used by the employment clerk as a means of enabling him to make a better selection of applicants for the various positions. It is used by the industrial relations representatives in handling questions appertaining to Avorking conditions, advancement, etc. At the Youngstown Sheet Tube Co. there are industrial relation labor clerks in the several operating departments. It is the function of these clerks to keep up-to-date records as to the work and progress of the various employees within the department. It is also their function to make special studies of those jobs which show...
