Filled with self-test questionnaires, case studies, diagrams, exercises and role play transcripts, they are ideal teaching and learning resources. Accompanying each guide is a DVD featuring an hour-long video of sample therapy sessions and clinical explications, as well as a handy pocket-reminder card that summarizes key information about the therapy technique. An on-the-go package of essential tools that busy clinicians won't want to be without. The final book in the Psychotherapy Essentials to Go series, this hands-on guide, with accompanying DVD of sample therapy sessions, answers the question: What makes a therapist effective? Maintaining a therapeutic alliance and reducing impasses by understanding relational dynamics, attachment, trauma, and countertransference are all emphasized as helpful aspects of a clinician's repertoire in challenging treatment situations.
