WW Norton & Co. Hardback. Book Condition: new. BRAND NEW, Busy Monsters: A Novel, William Giraldi, Memoirist of mediocre fame, Charles Homar has a problem: his bride-to-be, Gillian Lee, has nixed their nuptials and fled to the high seas in search of a legendary giant squid, unleashing an unholy heart wreck upon him. In a hell-bent effort to prove his mettle as an American male and win back Gillian's affections, Charlie crisscrosses the nation seeking counsel, confronting creatures both mythic and real-Bigfoot on the Canadian border, space aliens in Seattle, a professional bodybuilder with Asiatic sex slaves in suburban New Jersey, the demons dancing a rumba inside his own heart-and then writing about his travails every week for a popular slick magazine. Echoing a narrative tradition that includes Don Quixote and Kurt Vonnegut's *Breakfast of Champions*, William Giraldi's debut novel is a love story of linguistic bravado that explores American excess, the diaphanous line between fiction and fact, and what desperate men and women will do to one another.
