GRANTED

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 510 pages. Classes seem to be the only things under her control when Talie Corte begins her senior year of high school. Between a house full of foster siblings and a best friend who directs everyone like theyre her own supporting cast, chaos reigns and Talie has no choice but to march to the beat of other peoples drums. One afternoon, all the control that Talie has lacked is forced upon her when she accidentally engages the services of Alexander, an immortal Wish Giver. Their bond is instant and permanent, much to Talies dismay, and only her total contentment or her death can break it. While Talie gradually learns that instant gratification has its upside, she must also face the brutal consequences of getting everything she wants. Where there is give, there is take, and when wishes come freely, they come at great cost. This item ships from La Vergne,TN. Paperback.
