A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

NO ROOM FOR BULLIES: LESSON PLANS FOR GRADES 5-8 (PAPERBACK)

Boys Town Press, United States, 2012. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. Whether bullying happens face-to-face in a school hallway or in the digital world via text message or on a Facebook page, its effects are felt in schools every day and are serious, harmful, and in many cases devastating to the victims. Because kids spend so much time at school, teachers are in a unique position to help students understand what bullying is, identify bullying situations, and learn how to deal with bullying in effective and safe ways. The more than thirty lesson plans and tips for teachers and administrators offered in this book address skill deficits with the key players (bully, victim, and bystander), examine the impacts of bullying, and teach methods for problem solving. An enclosed CD provides reproducible charts, worksheets, and social skill handouts.
