Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Composition of the Book of Isaiah in the Light of History and Archaeology The three lectures contained in this volume, which were delivered in the summer of 1909 as the second annual course of the Schweich Lectures, are an attempt to tell in a simple way the story of the book of Isaiah, and are not to be regarded as a commentary upon the book. In many cases I have been content merely to indicate, by means of quotations, that view of the origin and date of particular sections which commends itself to me, and I have made no attempt to give in detail the arguments for the theory which I have thus suggested. Had I done this, the length of the lectures would have been enormously increased, and the amount of detail would, in all probability, have tended to distract attention from the points which I desire particularly to make prominent. I have intentionally abstained from multiplying references, especially when referring to uncontroverted facts which are not of vital importance to my argument....

### Reviews

*The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*
