

The Rise of the Spanish Empire, Vol. 1: In the Old World and in the New (Classic Reprint) (Paperback)

Filesize: 6.98 MB

Reviews

Most of these ebook is the best publication available. It is definitely simplistic but unexpected situations within the 50 percent of the book. You will not sense monotony at at any moment of the time (that's what catalogs are for relating to in the event you request me).

THE RISE OF THE SPANISH EMPIRE, VOL. 1: IN THE OLD WORLD AND IN THE NEW (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Rise of the Spanish Empire, Vol. 1: In the Old World and in the New The history of Spain is one of the most attractive fields that lie open to the historical student. Its variety is infinite, and the possibilities of new and important discoveries are unexhausted. To most Americans the principal interest of the subject will inevitably centre around Spain s activities as a great conquering and colonizing power; for the increased importance of the countries of Iberian origin has been perhaps the most remarkable political and economic fact in the recent development of the Western Hemisphere. Popular attention has been focussed as never before on their language, government, and commerce during the past twenty years; and much progress has also been made in the line of historical investigation. The labors of writers and students, however, have thus far been directed chiefly to the more recent periods of the Revolutions and of national independence. The long centuries of colonial administration have been less thoroughly explored, and the history of Spain herself, which forms the background for the entire picture, has not hitherto been considered from the standpoint of the great Empire which spring from her. The following pages are an attempt to supply this deficiency. It is my purpose to carry the story, in four volumes, down to the death of Philip II, under whose rule the Spanish Empire attained its greatest territorial extent, through the annexation of Portugal and of her dominions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses...
