From Microbe to Consciousness (Paperback)

By Lou Jones

iUniverse, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a gamut to be run with this collection of poems, a challenge with a few sharp turns and switchbacks. From the playful treatment of the Big Bang and other scientific theories, to the often poignant readouts of the human condition. From two Chihuahuas running free, to the aged writer Trapped in the dusty garret of his mind. There are intrusions into the mind of the poet as well as that of the long distance runner. There is the brutality of the Jackals on the Corner and the tenderness of A 93rd Christmas Eve. From the rhetorical flourishes of The Orator, to the madness of The Last Evil Man, From Microbe to Consciousness evokes a variety of thoughts and emotions. It might even rekindle some old curiosities, even move us to ask some questions, some whys and what ifs. Maybe confront some of our certainties.

Reviews

Very beneficial to all of type of individuals. This can be for those who statte that there had not been a really worth reading. You will not really feel monotony at at any time of your respective time (that's what catalogs are for concerning should you ask me).

-- **Michale Shields**

It is an amazing publication which i actually have at any time go through. It really is writter in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.
